also in a dilemma. Then at one stage they said, 'There is a mandate now and we will do it.' It was easy to tell others to do it, but when you are in charge of the matter, it has become a dilemma before you and perhaps that explains the speech of Rajmata. And I suspect that some background is being created to take some turn in the policy. That is also welcome if that is being contemplated by the BJP at this stage.

As far as this issue is concerned, this has been made unnecessarily so much sensitive in view of so many historical things which have come to light. As far as these idols are concerned, it has been an admitted fact that they were installed between 22nd and 23rd of December, 1949.

MR. CHAIRMAN: The time is over now. So, the hon. Member may continue on the next Resolution day.

17.30 hrs.
